Intro to 2-D: 10/4

1. No Bell Work…you're welcome!
2. Colored Pencil Apple
    1. Get the basic colors: red, orange, yellow, green, blue, violet,
    2. Draw outside edge of apple. Should be about the size of your first.
    3. Using cross contour lines, layer the colors you see in your apple.
    4. Press down harder to make it intense!

3. Turn in any missing work! This is your amnesty time…again, you're welcome.

4. Visual Journal #5: Dissection
