

Intro to 2D Syllabus

Expectations for E-Learning

Below are the expectations to help continue instruction through e-learning in this course.

Schedule

Tuesday & Thursday

Office Hours: 9:00 – 11:00 and 1:00 – 2:00

I will be available for more prompt feedback during these times. You are more than welcome to email me at any other time.

Attendance

Due to our situation, attendance will be taken by answering a question and posting in Seesaw on the day class is held. There will be a question to answer in the *Activities* section that will be posted the morning of each class day in Seesaw.

Assignments

Your assignments will be found on Seesaw through the *Activities* section.

I will also post this information on my website: www.agerart.com if you like that format better.

Assignments will be posted on Tuesday morning.

Assignments are expected to be turned in through Seesaw by Thursday at 3pm.

We will start off small to make sure we get this process down. Please ask for help if needed.

Seesaw

I'm using Seesaw as our main platform for posting assignments and documenting work. I chose this because you're already familiar with this from class. We will be using other aspects of the app and not just taking photos of work. I'm able to post assignments and give feedback through Seesaw, but will also post information on www.agerart.com. I will direct you to my website if needed. Email me if you need help signing in and you forgot your password. I have "home learning" codes to get you in.

Communication

The easiest way to communicate with me is through email. You may be able to use Seesaw as well, but I may not be notified as quickly. I will be using email to communicate with you and your family.

Note to Students and Parents/Guardians:

I want this process to be smooth as possible and know there will be hiccups along the way. I miss my students and hope you are all well! I know some students may still have folders and artwork at school. We will be able to get those items when we are allowed to get back into the school. Please let me know if you have any questions or concerns.
