

## **AP Studio Art Syllabus**

### Expectations for E-Learning

Below are the expectations to help continue instruction through e-learning in this course.

#### **Schedule**

Wednesday & Friday

Office Hours: 9:00 – 11:00 and 1:00 – 2:00

I will be available for more prompt feedback during these times. You are more than welcome to email me at any other time.

#### **Contact Information**

Email: [bager@d49.org](mailto:bager@d49.org)

#### **Assignments**

Your calendar of assignments hasn't changed from what we had planned before.

I will also post this information on Seesaw and on my website: [www.agerart.com](http://www.agerart.com) if you like that format better.

You can submit your work to Seesaw or you can email them to me. Please remember to do the writing section.

Due Dates for the remainder of this semester are as follows:

1. Sustained Investigation #8 Friday 4/3 (Turn this in late if needed)
2. Sustained Investigation #9 Friday 4/17
3. Sustained Investigation #10 Friday 5/1
4. Final: I will get more information out at the end of April.

#### **Attendance**

Due to our situation, attendance will be taken by answering a question and posting in a google form on the day class is held. The google form will be posted the morning of each class day in Seesaw. I know you already have your assignments may know what you need to do, but attendance still needs to be taken.

#### **Seesaw**

I'm using Seesaw as our main platform for posting assignments and documenting work. I chose this because you're already familiar with this from class. We will be using other aspects of the app and not just taking photos of work. I'm able to post assignments and give feedback through Seesaw, but will also post information on [www.agerart.com](http://www.agerart.com). I will direct you to my website if needed. Email me if you need help signing in and you forgot your password. I have "home learning" codes to get you in.

#### **Communication**

The easiest way to communicate with me is through email. You may be able to use Seesaw as well, but I may not be notified as quickly. I will be using email to communicate with you and your family. I can also create a Zoom meeting if needed.

#### **Note to Students and Parents/Guardians:**

I want this process to be smooth as possible and know there will be hiccups along the way. I miss my students and hope you are all well! I know some students may still have folders and/or artwork at school. We will be able to get those items when we are allowed to get back into the school. Please let me know if you have any questions or concerns.

Mr. Ager
