

Subject Blur Photos

*You need to take at least 20 photos.

*You will submit your 3 best photos of **3 different subjects** to be graded.

*Due Friday, 2/22

*Tip: Use the **TV** "Time Value" mode on the camera to adjust the shutter speed. Use the tripod if needed.

*At the end of this assignment, you should have submitted at least 3 photos demonstrating the concept of *subject blur*. The subject should be blurred and the background should be in focus. This is opposite of *panning*. As always, use good composition and exposure.

Requirements

1. Focus and Exposure
2. Concept Demonstrated (Subject Blur)
3. Strength of Image (Still use Good Composition)
4. Three Images Submitted
5. Images Titled Correctly (LastnameFirst name-ProjectPhotoNumber.jpg)
